Film Production Guidelines

Welcome to the City of Los Angeles, Department of Recreation and Parks (Department). In our partnership to protect the environmental integrity of our parks the Park Film Office is providing guidelines to ensure a safe and successful film shoot. Please review and provide copies of these guidelines to the appropriate responsible persons. Thank you for the continuous use of our parkland.

RUNYON CANYON
Filming Guidelines

In order to maintain and preserve Runyon Canyon as an attractive environment for both park patrons and the film industry, we ask that you follow the guidelines below:

- **Ok to film at Runyon Canyon on 11/28/12.**
- **Ok to film from 9am-6pm.**
- **Companies are requested to inform all film crew members of the written guidelines for Runyon Canyon.**
- **Park patrons have right of way at all times. Must allow patrons to pass when camera is not rolling. May only stop patrons when camera is rolling.**
- **Okay to have maximum 2 minute pedestrian control.**
- **May not block any access roads, trails or driveways.**
- **May not park on any grassy area.**
- **Company must caution for pedestrians and dogs.**
- **Vehicles may not block the asphalt road at any time.**
- **Vehicles are not allowed on dirt trails.**
- **The company's activities must give the "right of way" to excessive traffic of park patrons.**
- **Bolting or nailing into the trees is not permitted.**
- **No staking allowed.**
- **Bringing soil, mulches, leaves and other material used for footing or blowing effects is not permitted unless approved by the Park Maintenance Supervisor.**
- **Alterations to the landscape, including the dirt road, must be leveled off before the company leaves the location.**
- **Companies must provide toilets from beginning to end of the reservation period.**

NOT A PERMIT

- **Preparing, staging or actual filming will be stopped by Park Management if unexpected weather conditions in combination with the company's activities causes damage to the area.**
- **Companies are responsible for cleanup of the entire area they have occupied.**
- **Any alterations to the landscape must be completely repaired before the company departs the location.**
- **Any damage to the landscape or irrigation system will be considered subject for mitigation procedures, which could result in monetary reimbursement or restoration work.**
- **Vehicles and/or heavy equipment are not allowed on turf areas unless prior approval is given by the Park Film Office.**
- **Production companies must provide their own restroom and trash receptacles. The City dumpsters and trash cans cannot be used so all self-generated trash has to be removed and disposed of off-site.**
- **Nudity is prohibited and not allowed in any Recreation and Parks facility.**
- **Film permits do not provide exclusive use of a park or recreation area.**
- Service roads, parking lot driveway access, handicap or electric vehicle designated parking stalls may not be blocked or restricted. Emergency vehicle access lanes must be maintained in parking lots and park streets at all times.
- A 20 Foot unobstructed lane must be maintained between parked vehicles/trailers in all parking lots and Recreation and Parks roadways for emergency vehicle access.
- Due to underground plastic irrigation lines and trees having shallow root systems, staking or drilling into turf, rocks, trees or asphalted areas is not permissible unless prior approval is given by the Park Film Office. This approval will be noted in the permitted guidelines.
- Locked park gates can only be accessed by a Park Film Office Monitor. Security of open gates must be provided by the permitted company. Any equipment that is permitted to stay overnight must be guarded by the permitted company's security group.
- Alterations to natural or manmade surroundings or content of the park are not permissible unless documented in these specific guidelines. The permit holder is financially responsible for all remediation should there be any damage or unauthorized alteration to Department property. The remediation and cost of will be determined by the Park Film Office.
- A Park Film Office Monitor(s) may be assigned to the permitted location. Their job is to ensure guidelines are followed, liaison between park patrons, other City employees and a communication link between Permitee and the Park Film Office for any additional needs or authorizations. When the Park Film Office is closed the Park Film Monitor has the authority and responsibility to modify these guidelines within the parameters given to them by their supervisor. The Park Film Monitor has access 24/7 to contact their supervisors if needed. The Permitee will be required to adhere to the instructions, restrictions and requests given by the Park Film Monitor.
- Smoking is prohibited on all Department properties. An exception has been made for permitted film production companies to smoke in areas that are designated by the Fire Safety Officer or Park Film Monitor. If a Fire Safety Officer or Park Film Monitor is not assigned to the Permitee there will be no smoking with the exception of an actor smoking while performing or as part of the scene.
- A designated smoking area may not be near any patron activity or facility. Large buckets of sand or water must be placed in this area for disposal of tobacco or tobacco related products. The designated smoking area may be revoked or not
